CERSANIT WE ARE BRINGING YOUR DREAM BATHROOM TO LIFE

We are a Polish brand that has been helping millions of people design and renovate their bathrooms for years. We understand our customers' needs, which is why we create solutions that genuinely simplify everyday life – incorporating advanced technologies ranging from water-saving systems and ultra-quiet performance to enhanced safety, hygiene, and smart space management. We offer everything you need for a complete bathroom design: tiles, toilet ceramics, furniture, fittings, bathtubs, shower enclo-

suers and trays, and accessories. This enables you to design a harmonious and comfortable bathroom space – from start to finish. Our mission is to bring your dream bathroom to life. That's why we design thoughtful, well-crafted products that suit every style. We're here as your trusted guide – to inspire you, share our expertise, and support you every step of the way. Everything we create is made with you in mind – smart, functional, and effortlessly elegant.

cersanit **VORTEX**

CERSANIT VORTEX whirl flushing technology combines performance with user convenience.

The unique system design generates a strong water vortex that effectively removes impurities. As a result, the ceramic surface remains perfectly clean after each flush. It operates at a low noise level while saving water — only 2 or 4 litres per flush!

Technology that works. Every day.

THE ABSENCE OF A TRADITIONAL RIM AND THE SPECIALLY CONTOURED INTERIOR OF THE TOILET BOWL ALLOW FOR EASY CLEANING BY ELIMINATING HARD-TO-REACH AREAS.

cleanON

CleanOn is an innovative technology and a new quality in taking care of cleanliness in the bathroom. This is a functional and user-friendly solution where the inner rim has been removed from the wall hung bowls and WC compacts.

The rim and its edge are the areas where, in traditional bowls, the dangerous to health bacteria and germs usually accumulate. The CleanOn wall hung bowls do not have any hard to reach surfaces and therefore are free of such contamination. This makes your toilet cleaner than ever!

LOGISTIC DATA

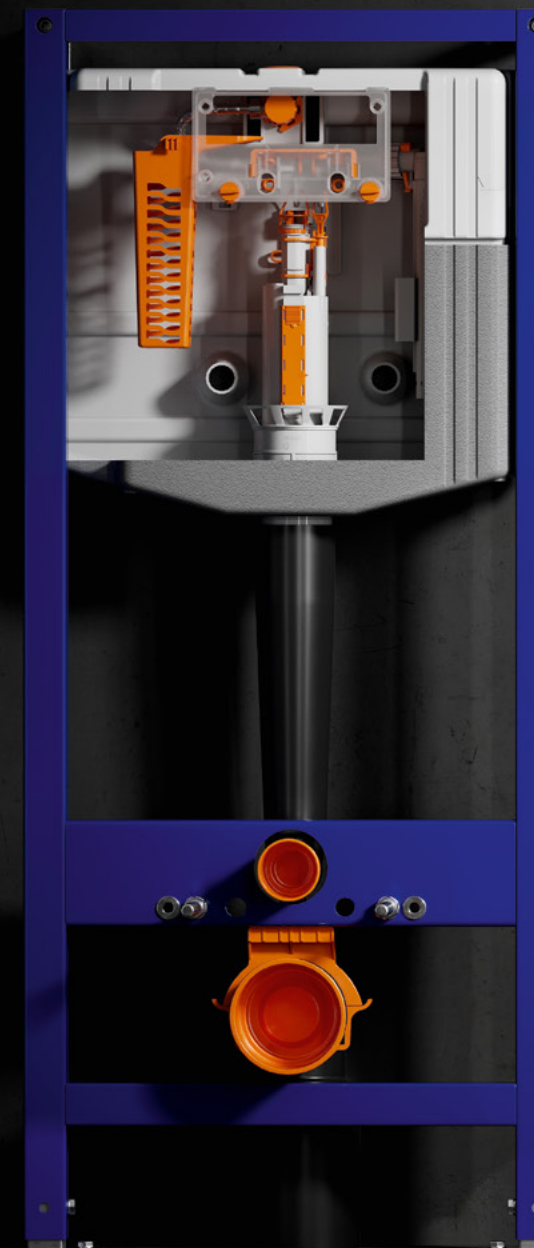

AQUA

The strong point of the bathroom is the concealed **AQUA** frames by Cersanit, which are installed flush with the wall, ensuring safety and comfort of use.

These advanced installation systems are hidden in the wall, which increases the usable space of the bathroom and minimises the visibility of technical elements. Thanks to their solid construction and modern technological solutions, these concealed WC frames not only ensure reliability, but also ease of installation and maintenance.

The concealed WC frame has both a practical and decorative function. The shelf above the concealed WC frame is a perfect place to store small bathroom accessories or cosmetics. The space above the concealed WC frame can also be used to place wall cabinets, which increases the functionality of the room.

FUNCTIONALITY – CONVENIENCE – SAFETY

GUARANTEED TIGHTNESS

The **AQUA** concealed WC frames feature leaktight, one-piece cisterns manufactured using blow moulding. This provides very comfortable and trouble-free operation of the systems for years to come.

LOW WATER USAGE

The **AQUA** products feature dual flushing with 2/4 L, 3/5 L or 3/6 L. Reducing the water quantity required per flush to 2/4 L conserves our natural water resources while making its use at home more efficient.

AQUA concealed WC frames combined with **CERSANIT VORTEX** bowls (2/4 L) allow you to save up to 20,000 litres of water per year in a household with a family of four. It's a clear gain!

A CONCEALED WC FRAME UNDER CONTROL

The **AQUA** WC frames have Unique Identification Numbers assigned by Cersanit. This allows easy identification of each product and helps with the servicing or replacement of any worn parts.

25^{LAT}

availability of spare parts

10^{LAT}

warranty on all WC frame elements

one-piece cistern with guaranteed tightness

economical flushing up to 2/4 L

AQUA MECH

AQUA 50 MECH QF

cat. code.: K97-525

index: COAF1001640948

characteristics:

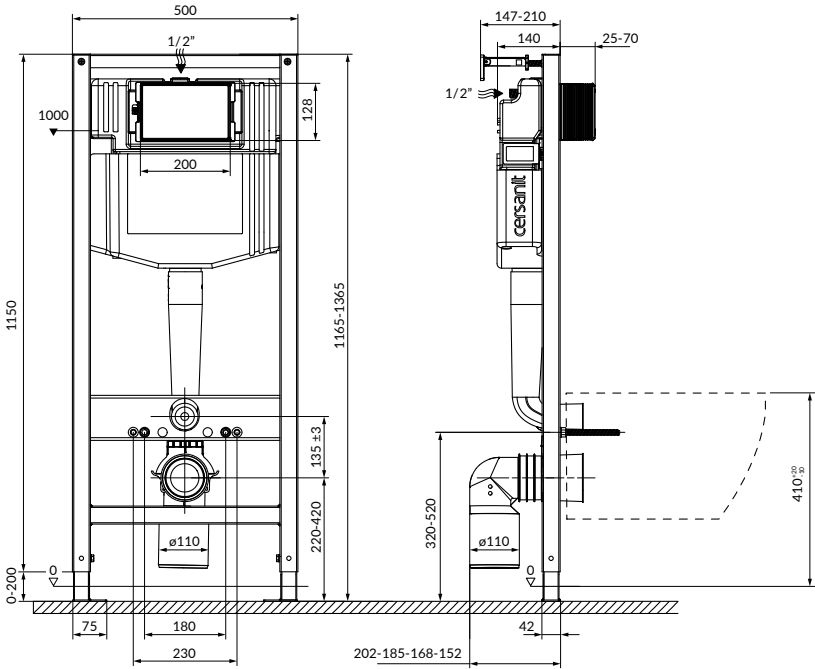

- QUICK FIX wall mounting system
- FRESH SYSTEM basket
- ultra-quiet filling valve with NF
- mechanical flushing
- easy assembly and adjustment of internal frame components without the use of tools
- one-piece tank guaranteeing tightness
- colour coding for easy installation
- flushing 2/4 L, 3/5 L (factory settings), 3/6 L
- material: steel/plastic
- load capacity 400 kg
- 10-year warranty

W×H×D [cm]

50×116,5 - 136,5×14,7 - 21

Compatible with products:

CERSANIT wall hung bowls, DUETO/ENTER II/ PRESTO II/MOVI II/PILOT II/LUNA/LUNA/RING/BLOCK mechanical flush button series

AQUA

concealed WC frame for bidet

cat. code.: K97-407	index: COAF1001256715
---------------------	-----------------------

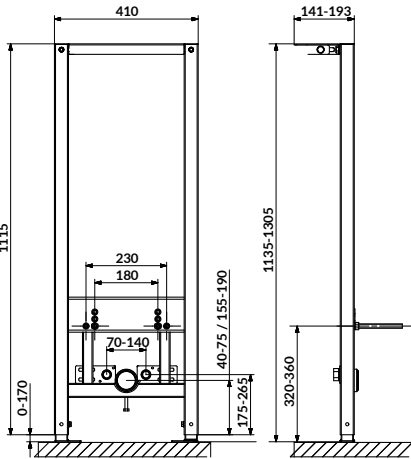

characteristics:

- brass connection sleeves for angle valves with vertical and horizontal adjustment capability
- bidet mounting screws mounted directly in the frame, with a spacing of 180 mm (with 3-step height adjustment) or 230 mm
- frame made of powder-coated steel
- rotating frame feet with 4 mounting positions
- brakes in the frame feet
- drain elbow with adjustable up/down setting
- material: steel/plastic
- load capacity 400 kg
- 10-year warranty

W×H×D [cm]	41×113,5 - 130,5×14,1 - 19,3
------------	------------------------------

Compatible with products:

CERSANIT wall hung bidets

AQUA

concealed WC frame for urinal

cat. code.: K97-410	index: COAF1001280948
---------------------	-----------------------

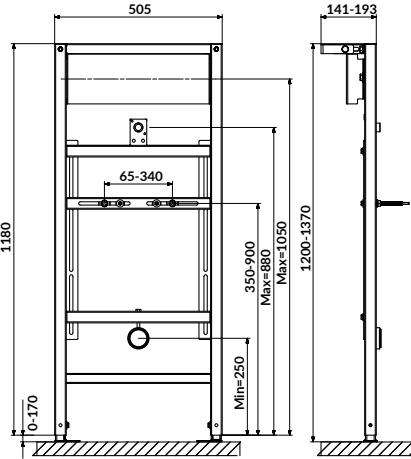

characteristics:

- rotating frame feet with 4 mounting positions
- height-adjustable water connection sleeve
- height-adjustable drain elbow
- adjustment of the height of the urinal suspension
- includes a wall mounting kit and mounting pins for ceramics
- material: steel/plastic
- load capacity 100 kg
- 10-year warranty

W×H×D [cm]	50,5×120 - 137×14,1 - 19,3

CONCEALED
WC SETS

AQUA 50 MECH

SET C18

cat. code.: S701-798 | index: SZWZ1008576282

- set components:
- **AQUA 50 MECH QF** concealed WC frame
 - **ZEN PRO** by Cersanit wall hung bowl
 - **LARGA** by Cersanit **OVAL** toilet seat

- frame characteristics:
- **QUICK FIX** wall mounting system
 - **FRESH SYSTEM** basket
 - ultra-quiet filling valve with NF
 - mechanical flushing
 - easy assembly and adjustment of internal frame components without the use of tools
 - one-piece tank guaranteeing tightness
 - colour coding for easy installation
 - flushing 2/4 L
 - material: steel/plastic
 - load capacity 400 kg
 - 10-year warranty

- bowl characteristics:
- **CERSANIT VORTEX** technology
 - **EURO WHITE** colour
 - oval shape
 - flushing 2/4 L
 - hidden fixation system
 - 10-year warranty
 - 50-year warranty after product registration

- toilet seat characteristics:
- white
 - oval shape
 - high quality duroplast
 - one button easy-off system
 - soft close system
 - slim wrap
 - 2-year warranty

- flush button characteristics:
- selected mechanical flush button to be purchased separately

W×H×D [cm] 50×116,5 - 136,5×14,7 - 21

Compatible with products:
mechanical flush buttons series

BATHROOM FOR ELDERLY AND THE DISABLED PEOPLE

ETIUDA series has been specially designed for disabled and elderly people with temporary or permanent mobility impairment. It consists of a wall hung bowl with a specially designed toilet seat, WC compact, washbasin and accessories that facilitate safe use of the bathroom without the help of others. The wall hung bowl and WC compact are equipped with **CleanOn** technology and an innovative flushing system, which guarantees complete cleanliness and the highest level of hygiene in the bathroom. The products from **ETIUDA** series are designed to equip hygienic and sanitary rooms in residential and public buildings, including educational facilities and hospitals.

ETIUDA

Wall hung bowl **CleanOn**

cat. no.: K670-002

index: CCHZ1001501986

characteristics:

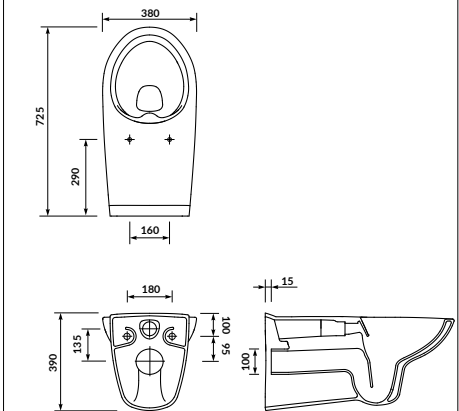

- **CleanOn** technology
- the unique **CERSANIT WHITE**
- the highest hygiene standard
- 3/5L flushing system

width×depth×height [cm]

38×72,5×39

to be paired with:

ETIUDA toilet seat

ETIUDA NEW

WC compact **CleanOn** 010

cat. no.: K11-0221

index: CCKZ1013561894

characteristics:

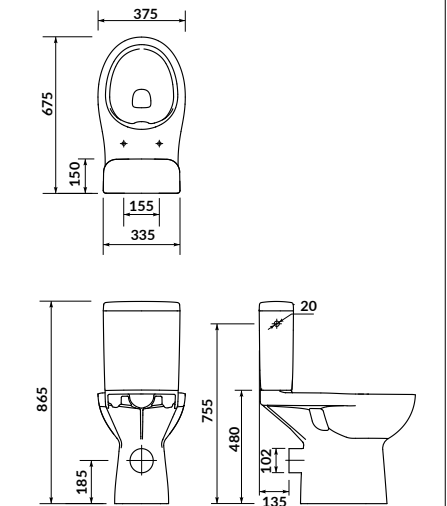

- **CleanOn** technology
- the unique **CERSANIT WHITE**
- the highest hygiene standard
- 3/5L flushing system

width×depth×height [cm]

37,5×67,5×86,5

to be paired with:

ETIUDA toilet seat

ETIUDA

Toilet seat

cat. no.: K98-0002

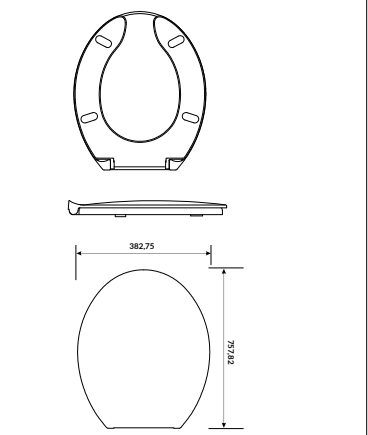

index: CSSD1000300961

characteristics:

- high quality duroplast
- metal hinge

width×depth×height [cm]

38,4×45,5×3

ETIUDA 65

Wall hung washbasin

cat. no.: K11-0041

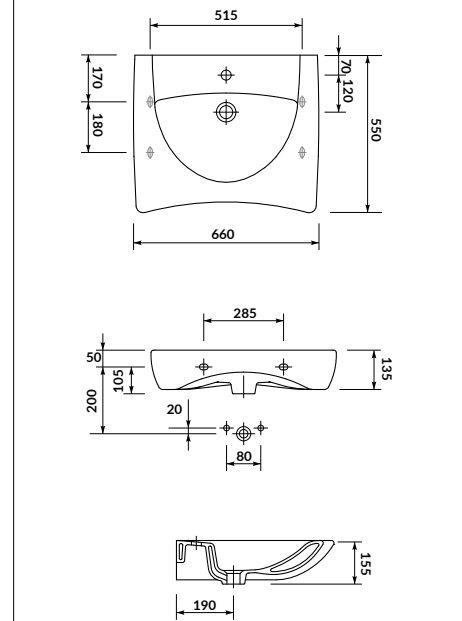

index: CCWS1000690914

characteristics:

- the unique **CERSANIT WHITE**
- for the elderly and for people with limited mobility
- 100% glazed usable area
- 10-year warranty

width×depth×height [cm]

66×55×13,5

ETIUDA

Folding shower chair

cat. no.: K97-040

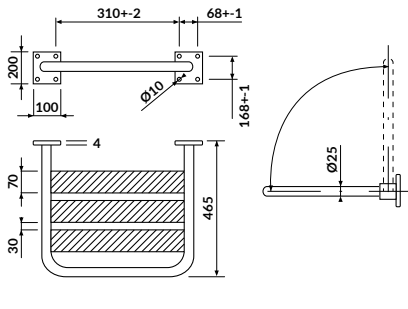

index: COAF1000140950

characteristics:

- stainless steel
- maximum load: 120 kg
- 2-year warranty

width×depth×height [cm]

50×45×25

ETIUDA

Straight wall handle 40 cm

cat. no.: K97-026

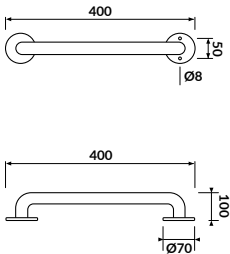

index: COAF1000160950

characteristics:

ETIUDA

Stable wall handle 60 cm for WC and washbasin

cat. no.: K97-033 | index: COAF1000210950

- characteristics:
- stainless steel
 - maximum load: 120 kg
 - 2-year warranty

width×depth×height [cm] 12×60×25

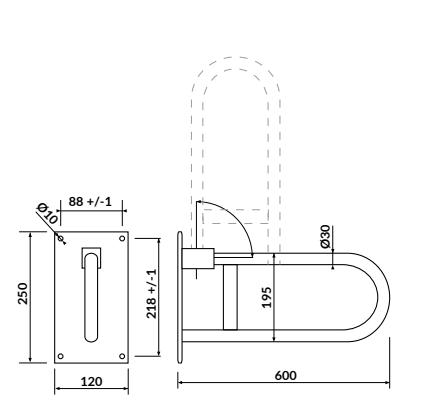

ETIUDA

Lifted wall handle 60 cm for WC

cat. no.: K97-034 | index: COAF1000190950

- characteristics:
- stainless steel
 - maximum load: 120 kg
 - 2-year warranty

width×depth×height [cm] 12×60×25

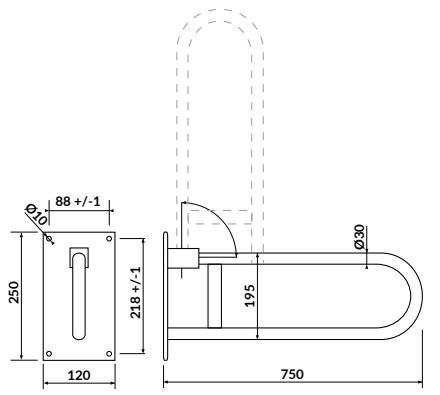

ETIUDA

Lifted wall handle 75 cm for WC

cat. no.: K97-035 | index: COAF1000200950

- characteristics:
- stainless steel
 - maximum load: 120 kg
 - 2-year warranty

width×depth×height [cm] 12×75×25

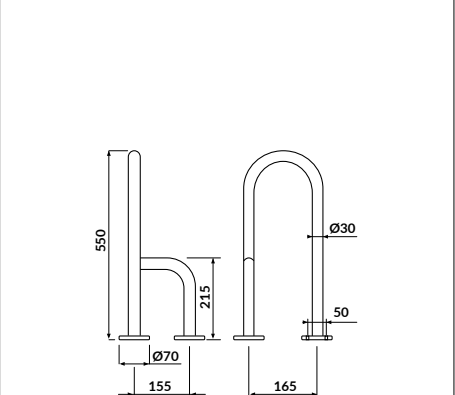

ETIUDA

Washbasin handle-stable 55 - right

cat. no.: K97-029 | index: COAF1000230950

- characteristics:
- stainless steel
 - maximum load: 120 kg
 - 2-year warranty

width×depth×height [cm] 23×55×23

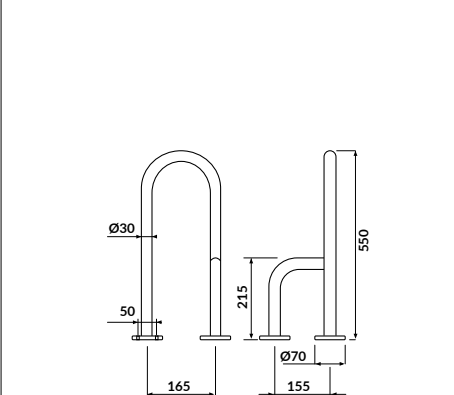

ETIUDA

Washbasin handle-stable 55 - left

cat. no.: K97-030 | index: COAF1000240950

- characteristics:
- stainless steel
 - maximum load: 120 kg
 - 2-year warranty

width×depth×height [cm] 23×55×23

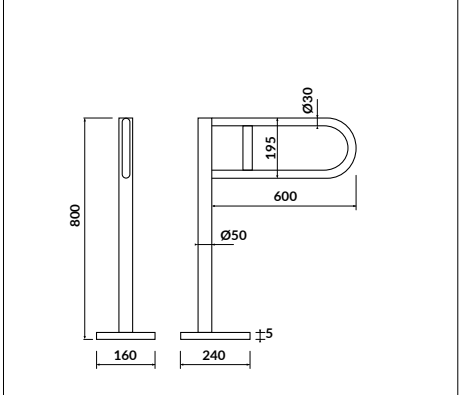

ETIUDA

Lifted handle 60 assembled to the floor

cat. no.: K97-036 | index: COAF1000260950

- characteristics:
- stainless steel
 - maximum load: 120 kg
 - 2-year warranty

width×depth×height [cm] 16×60×80

ETIUDA

Wall-flooring handle 75×80 cm right for WC

cat. no.: K97-037

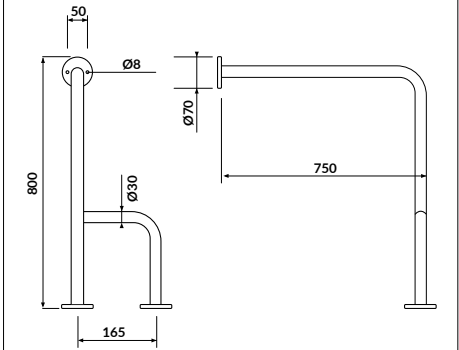

index: COAF1000280950

characteristics:

- stainless steel
- maximum load: 120 kg
- 2-year warranty

width×depth×height [cm]
